CSN bl 5509W/C/1702

This form should be enclosed with the student's application for student aid to CSN.
The Swedish Board for Study Support (CSN) is the official agency in Sweden that processes applications for grants and loans for studies in Sweden and abroad. To

qualify for student aid, the student and the education must fulfil certain requirements.
All parts of the form must be filled in and be signed and stamped by an official representative of the school. The form corresponds to an official admission notice.

It is therefore important that it is filled in only for a student satisfying your requirement of admission.
Regarding payment, always consider monthly payment or in other instalments.
