INFORMATION

The Swedish Board for Study Support (CSN) is the official agency in Sweden that processes applications for grants and loans for studies in Sweden and abroad. To qualify for a grant or loan the student and the education must fulfil certain requirements. *In order to qualify for an award to study*

English the student must study for the 'Cambridge First Certificate' or higher.

Personal information is to be filled in by the student. All parts of the form must be filled in. An incomplete application form can lead to CSN rejecting the application. It is essential that the application is signed

by an official representative of the institute and bears an official stamp.

CSN is aware of the fact that a student is not formally accepted until the tuition fee has been paid. The earliest date for payment of an award, including the tuition fee, is three weeks before commencement of a course.
